

## 2-TIER LUXE ACRYLIC SHOE SHELF

---

### Pieces included:

- 2 x Acrylic Panel
- 4 x Taller Acrylic Poles
- 4 x Acrylic Poles
- 4 x Screws
- 4 x Threaded Connectors
- 4 x Silver Caps
- 4 x Brass Caps
- 1 x Phillips Screwdriver

### Instructions

1. Screw 4 Threaded Connectors into the 4 Taller Acrylic Poles as shown in Drawing 1.
2. Attach Taller Acrylic Poles to one of the Shelves, being sure to screw them all the way in. The lip on the Shelf should be on the same side as the Taller Acrylic Poles.
3. Decide which color Caps you want to use. Place that color washer from Cap over each Screw. Place 2nd Acrylic Shelf on the top of Taller Acrylic Poles and use the screwdriver to tighten Screws with washers to attach the top Shelf. Please refrain from over-tightening the product after securing. Then screw on Caps.
